

22-Year Old Motorcyclist Is Killed When Vehicle Skids Out Of Control Near Piney Mt. Inn

A 22-year-old motorcyclist was killed instantly when his motorcycle skidded out of control on the Lincoln highway in front of the Piney Mountain Inn, 12 miles west of Gettysburg at 8:20 o'clock Monday night.

The motorcycle turned over several times, skidding and rolling 131 feet on the highway and 75 feet farther along the side of the road, state police of the Gettysburg substation said.

The dead man is Arley Ray "Buddy" Nutter, 22, of Gettysburg R. 2. State police said he was accompanied by a brother, Curtis Nutter, same address, on a second cycle, and Earl Richardson, 548 Carlisle street. Death was attributed to a fractured skull and internal injuries. Dr. C. G. Crist, Adams county coroner, said a decision had not been reached on the holding of an inquest.

Tire May Have Punctured

The two Nutter brothers and Richardson were traveling west, according to state police, the dead youth on one motorcycle, and his brother riding behind Richardson on another. State police said a tire on Nutter's motorcycle might have blown out.

Nutter was born in Nicholas county, West Virginia, and came to this county more than four years ago. For the last four months the Nutter family resided along the Emmitsburg road in Cumberland township. Before that, they lived in Straban township.

In August, 1944, he enlisted in the Navy for three years and was discharged in August, 1947. Before going into the service he had worked for 18 months as a machine operator at the Mechanicsburg Naval depot. After his Navy duty, he worked briefly at the Letterkenny ordnance depot.

Surviving are his parents, Mr. and Mrs. Russell Ray Nutter; a step brother, Clarence Dorsey; a step sister, Mrs. Warren Fletcher, Winchester, Va.; and these brothers and sisters: Mrs. Nick Kovesevick, Mechanicsburg; Mrs. William Burns, Bowmansdale, Pa.; Nadine Ruth, Curtis Lee, Jerry L. Carlyon Frances, and Wanda Lee Nutter, all at home; the grandparents, Mr. and Mrs. Robert E. Nutter, Winchester, Va., and maternal grandfather, M. H. Dorsey, Bruce, W. Va.

Friends and relatives will meet at the Bender funeral home Thursday at 1 p.m. and services will be held at Andersonstown in the Andersonstown Church of God, near Dillsburg. Friends may call Wednesday after 7 p.m. at the funeral home. Interment in the cemetery adjoining the church.

SPEAKER SEES MORE INTEREST IN RELIGION

Greater interest is being shown in religion today than during the past several decades, Rev. Dr. Harold A. Dunkelberger told the Rotary club at its meeting in the YWCA Monday evening.

In the course of a classification talk, Rotarian Dunkelberger, now a teacher in the department of Biblical literature and religion at Gettysburg college, told the group:

"As do all teachers, we find grounds for discouragement and encouragement in our findings in the department of Biblical literature and religion. We find an appalling amount of Biblical illiteracy among otherwise highly educated students. And far too many have a knowledge of Christianity that is far too low even though they have been brought up in Christian homes.

Brief Instruction

"And it is easy to understand why this is so. Our young people, even though they attend Sunday school, get at best 30 minutes per week of religious instruction as compared with hours of instruction on other subjects. This Biblical illiteracy is one of the results of the principle of separation of church and state as it is interpreted in the U. S.

"But while we have this illiteracy we are finding an increasing interest (Please Turn to Page 7)

One Of These May Succeed Admiral Sherman

One of these four-star admirals may be named by President Truman to succeed Admiral Forrest P. Sherman as chief of naval operations. Sherman died July 22 in Naples, Italy. The admirals, left to right, are: William M. Fechteler, 55, now commander-in-chief of the Atlantic fleet; Robert B. Carney, chief of U.S. Naval forces in the eastern Atlantic and Mediterranean and commander-in-chief of Allied forces in southern Europe; and Arthur W. Radford, 55, chief of the Pacific fleet.

Will Punish Rec. Rowdies

A new "crackdown" on rowdism at the Recreation park was announced today by Donald Joseph, recreation director.

Discipline and behavior at the Recreation park have been "good" most of the season thus far, Joseph said, but within the last few days there have been outbreaks of misbehavior.

"Rough conduct or any acts which interfere with or endanger other children at the playground will not be tolerated," Joseph added. He said that youngsters and older youths who misbehave will be denied the privileges of the playground, and flagrant offenders will be dealt with by police authorities or the juvenile court.

LT. COL. PEDDY, ROTC OFFICER, IS TRANSFERRED

Lt. Col. Thomas E. Peddy, officer in charge of the air branch of the Reserve Officers Training Corps at Gettysburg college since January, 1948, has been transferred and will leave here about August 15, Col. Peddy said today upon his return from the First Air Force headquarters, Mitchell Air Force base, Long Island, N. Y.

After a two weeks' leave, which Col. and Mrs. Peddy will spend at the colonel's home in Arcadia, La., Col. Peddy will attend the Air Command and Staff school at the air university, Maxwell Field, Montgomery, Ala., for three and a half months.

In January he will go to Wiesbaden, Germany, according to present orders. Col. Peddy's successor here has not been named.

Col. Peddy spent 25 months in the air force in the Pacific during World War II. He was leader of a B-24 squadron, and during the past five months of the war, a deputy group commander.

At the close of the war he returned to the United States and before coming to Gettysburg was assigned to the 15th Air Force at Colorado Springs, Col., in the accident investigation and prevention division.

Air Cortège Winging To U. S. With Body Of Adm. Sherman

Naples, Italy, July 24 (AP)—A four-engined U. S. Navy transport took off from Naples airport today, carrying the body of Adm. Forrest P. Sherman on its last flight home.

A few minutes before the big plane was airborne at 10:14 a.m. (4:16 a.m. EST), an Italian armed forces guard and band rendered last honors to the veteran officer whose 33-year navy career began and ended in the Mediterranean. The plane bearing his body is due in Washington at 3 p.m. (EST) tomorrow, the navy said.

A black, silver and gold Italian hearse brought the casket, draped in the Stars and Stripes to Capodichino airport. An Italian motor police escort led the funeral cortège from the U. S. Navy ship Mount Olympus in Naples harbor.

The 54-year-old admiral, youngest man to become U. S. chief of naval operations, died after two heart attacks Sunday morning in a Naples hotel suite. He had been making a rapid tour of Atlantic Pact countries and had just finished talks with Generalissimo Franco about U. S. sea and air bases in Spain.

A brief funeral service was held this morning on the admiral's veranda of the Mount Olympus, flagship for Adm. Robert B. Carney to which Sherman's body was moved Sunday.

The plane bearing the body will stop first at Port Lyautey, Morocco. From there it flies to Lages, in the Azores; Argentina, Newfoundland, and Washington.

Washington, July 24 (AP)—Adm. Forrest P. Sherman will be buried Friday afternoon (2 p.m. EST) at Arlington National cemetery with high military honors.

NATIONAL FFA OFFICIALS WILL PAY VISIT HERE

The national officers of the Future Farmers of America will be given an opportunity Thursday to see "this Gettysburg that everybody knows about."

Last spring when the national officers toured the country visiting leading manufacturing plants, five of the six national FFA officers were amazed and amazed that everyone seemed to know about the home town of one of them, while few knew about the others' home communities.

The officer whose home was known to all was Richard Waybright, Gettysburg R. D., fourth na-

Shall Not Perish From Superficial Area

Cambridge, Mass., July 24 (AP)—A professor says you'd never recognize Lincoln's Gettysburg Address if you saw it in what he calls the "faculty English" of some college professors of today.

Prof. Richard D. Pay, of Massachusetts Institute of Technology, writing in the Harvard Alumni Bulletin, uses the famed Civil War speech as an example. He shows what it might be when "translated into faculty English by machine methods."

The classic opening—"four score and seven years ago our fathers brought forth upon this continent a new nation conceived in liberty and dedicated to the proposition that all men are created equal"—becomes in Pay's example this:

"Eight and seven-tenths decades ago the pioneer workers in this continental area implemented a new group based on an ideology of free boundaries and initial conditions of equality."

Then you'll remember Lincoln's stirring close—"government of the people, for the people and by the people shall not perish from the earth."

In Pay's "faculty English" that becomes: "And that political supervision composed of the integrated units, for the integrated units, and by the integrated units shall not perish from the superficial area of this planet."

Golf Committee Meets Tonight

The first meeting of the new golf committee of the Gettysburg Country club will be held this evening at 8 o'clock in the locker room at the club, Henry T. Bream, chairman, announced today. The committee will complete plans for the club championship tournament.

The new committee includes: Daniel J. Wolff, co-chairman, Kermit Deardorff, Donald Hershey, Thomas Cline, Walter Doud, Samuel Miller, Floyd Brown, John Yovicsin, William Phelps, George Boehner, Jr., and Phil Hughes.

Following the meeting there will be a stag party at 9 o'clock. A baked ham buffet will be served.

COUNCIL VOTES TO RECONSTRUCT TIBER BRIDGE

Borough council Monday evening voted to reconstruct the bridge over the Tiber on Springs avenue, and to pay Gannett, Fleming, Corddry and Carpenter, Inc., Harrisburg consulting engineers, \$550 for plans for the work. The action was taken at a special meeting held in the council chambers at the engine house.

The Harrisburg firm is the same one that prepared plans for the entire Tiber, which cost the borough \$800 in 1946. An inspection of the bridge and its foundations was made by members of the council a week ago, and on July 17 Arthur E. Foster, a representative of the Harrisburg firm, met with members of the sewer committee.

Critical Work

As a result of this latter meeting, Foster sent a letter to council, in which he pointed out that the Springs avenue bridge is "one of the most critical points in the entire length of the Tiber," and said that work done there should be done only according to engineering plans, if it is to conform to the overall flood control setup for which plans were drawn in 1946.

Foster recommended that the stream bed be lowered, and said the most difficult part of the job will be the "roof" of the bridge. Representatives of the Harrisburg firm are expected to have the plans ready within a few days.

To Repair Walls

Councilman John D. Teeter was the author of both motions to reconstruct the bridge according to the new plans to be drawn by the Harrisburg firm. A concrete "floor" will be placed in the bed of the Tiber at this point. As much of the old material will be used as possible, councilmen said. Repairs will also be made to the walls beneath the lawn in front of the Meade school.

Work on the bridge was started more than a week ago, and then halted pending a decision by council. No estimate was made Monday night on the probable cost of the reconstruction. Council may hold another special meeting or wait until its next regular meeting in two weeks to decide on the type of reconstruction and cost, after the plans are received.

SOLDIER'S BODY BEING RETURNED

The body of Pfc. Fred K. Myers, 33, Littlestown, who was killed in action in Korea September 26, 1950, is due to arrive early this week in San Francisco for burial here.

A veteran of three years service in World War II, Pfc. Myers served in the Battle of the Bulge and other parts of the European theatre. Re-enlisting in the army early in 1950, he was sent to Korea as a member of a medical detachment. The last word received by the family was in the form of a letter mailed from Guam July 22, 1950, in which that he said his unit was preparing to depart for Korea.

He was a son of George L. Myers, Littlestown, and the late Carrie Myers, and is survived by his father and these brothers and sisters, Mrs. Albert McClain, Baltimore; Mrs. (Continued on Page 7)

Property Transfers

Mary R. Musselman, Gettysburg, sold to John H. and Anna W. Basehoar, same place, a property on west side of Baltimore street.

Elsie Irvin, executor of the estate of Annie M. Wentz, late of Gettysburg, sold to Emory D. Wentz, Franklin township, a property on York street.

BABE CRITICALLY ILL

Thomas Merry, infant son of Mr. and Mrs. Byron Merry, McKeesport, is in a critical condition at the hospital here. His grandparents, Mr. and Mrs. Joel Musselman, Gettysburg R. D., left yesterday for McKeesport. Mrs. Merry is a daughter of Mr. and Mrs. Musselman. The nature of the child's illness has not as yet been determined according to word received here.

North Koreans Declare Reds' Answer Will Break Off Cease Fire Talks Over Troops Issue

U.N. Advance Headquarters, Korea, July 24 (AP)—United Nations truce negotiators return to Kaesong tomorrow for a yes or no answer from the Communists on a Korean war armistice agenda.

The Red North Korean Pyongyang radio indicated today the answer will be "no."

U.N. delegates insist cease-fire talks omit any discussion of withdrawing foreign troops from Korea.

In an unofficial answer Pyongyang radio quoted the Communist "Korean Central Press" News agency:

"All our people demand withdrawal of all foreign national troops from our territory."

The five Red negotiators undoubtedly have received new instructions from Peiping and Pyongyang since Saturday. On that day they called for recess of talks which had bogged down over this Communist demand.

Red China's Peiping broadcasts Tuesday gave no hint of what attitude Red delegates would take Wednesday.

Listeners recalled that the two Chinese delegates had called for the recess, taking the lead away from the North Koreans for the first time in the peace talks. Observers suggested this might indicate Peiping's silence was more important than Pyongyang's talking.

Pyongyang radio said:

"At the cease-fire talks in Kaesong Americans are refusing this issue emphatically. The United States delegates propagandize that this problem has no relation with cease-fire talks."

Reds Score U. S.

The U.N. position is that the question of withdrawing troops is a political issue to be debated at a higher level after the shooting war has actually been halted.

"This stubborn attitude," the Red radio said, "means that the U. S. is aiming to retain military bases in South Korea."

"In the face of their defeat, (U.N. Commander Gen. Matthew B.) Ridgway and his soldiers are aiming to stay in Korea forever. This comes solely from the militaristic purpose to obtain the monopolistic profit from inflated war industries."

If Communist negotiators persist in their stand Wednesday, cease-fire talks may well break down on the day fighting in Korea rounds out its 13th month.

Allies Beat Off Red Attacks Probing Along Korean Front; U. S. Airmen Keep Pounding Foe

U.S. 8th Army Headquarters, Korea, July 24 (AP)—Allied troops beat back eight Red probing attacks along the Korean front today and fought for the third successive day to drive Communist troops off high ground near the east coast.

All but one of the Red attacks were described as light.

But south of Kumsong, east of their fallen iron triangle, Chinese forces made "a large probing attack," the 8th Army reported. It was halted, as were three in the Yangju sector of the east central front and four northwest of Kamsong on the east coast.

The three-day battle raged south-west of Kamsong. It was still under way at 3 p.m. Tuesday (Monday midnight EST). United Nations spokesmen described it as the fiercest fight in weeks.

U.N. warplanes roared through gathering clouds Tuesday and kept up their heavy pounding of Red communication lines.

The Fifth Air Force has been hitting truck and rail lines steadily with an average of 150 combat strikes a day, despite adverse weather, to keep Communists from building up their front line forces during cease-fire talks.

Tuesday's early strikes centered around Pyongyang, Red Korean capital.

Pound Rail Yards

F-80 Shooting Star jets swept, through the early morning darkness and raised havoc with the Kang-Dong rail yards 15 miles east of Pyongyang.

Four waves of B-29 superforts rained more than 1,000 bombs on Sariwon, rail and highway town between Pyongyang and Kaesong, site of cease-fire talks. Half the bomb load was dumped by radar techniques.

Two Allied planes were lost Monday when 670 sorties were flown.

SERVICES HELD FOR DANIEL D. BASEHOAR

Funeral services for Daniel D. Basehoar, 72, who died on Saturday evening at 8:40 o'clock at his home at 113 East King street, Littlestown, were conducted this morning at 10:30 o'clock from the J. W. Little and Son funeral home, Littlestown. Mr. Basehoar, who had been in business 51 years in Littlestown, was well known as an automobile dealer. He owned and operated the Ford sales and service garage on East King street, but during the last year he was not active due to ill health.

The Rev. David S. Kammerer, pastor of St. Paul's Lutheran church, officiated at the rites. Interment was in Mt. Olivet cemetery, Hanover. Employees of the D. D. Basehoar garage acted as pallbearers. They were Clarence O. Bankert, William T. Wilt, LeRoy Helwig, Roy Kebl, Harrison Snyder and Elmer Hoffheins.

351 Town Votes
Cast Up To 1 P.M.

Three hundred and fifty-one persons had voted in Gettysburg in the midsummer primary election up to 1 o'clock today, 270 Republicans and 81 Democrats.

Two years ago the total number of votes cast up to the same hour was 445, and four years ago 377.

The vote at 1 o'clock today in the various precincts in Gettysburg was: First ward, first precinct, 60 Republicans, nine Democrats; First ward, second precinct, 42 Republicans, 17 Democrats; Second ward, 103 Republicans, 44 Democrats; Third ward, 65 Republicans, 21 Democrats.

Judge Harvey M. Gross, York county, was handling the primary election court today. Up to near noon the judge had no business. He is there to settle any problems arising in connection with the election.

8 AT BRADLEY ADMIT BRIBES

New York, July 24 (AP) — District Attorney Frank Hogan announced today that eight Bradley university basketball players, including an All-American athlete, had admitted accepting bribes to fix basketball games. Bradley, which is in Peoria, Ill., has had top ranking teams over the past few years.

Hogan named four of the eight players, who are all under questioning by the state's attorney in Peoria as: Eugene Melchiorre, 23, of 860 Taylor street, Highland Park, Ill.; the All-American athlete; William Mann, 24, of 17 High street, Peoria; Aaron Preece, 24, 1806 Western avenue, Peoria, and Charles Grover, 22, 97, University avenue, Peoria.

Peoria, Ill., July 24 (AP) — State's Attorney Michael A. Shore today ordered a grand jury investigation of reports the scores of two Bradley university basketball games were manipulated at the instruction of gamblers.

Shore said the games were between Bradley and Washington State, played in Peoria Dec. 21, 1949, which Bradley won 67-59, and between Bradley and Oregon State, played in Peoria Dec. 7, 1950, which Bradley won 77-74.

Local Reference In Feature Story

Gettysburg and Mrs. Dorothy Lynch are mentioned in Helen Worden's article on Mrs. Dwight Eisenhower in the current edition of *Coronet* magazine. The local reference follows:

"A change for the better came during World War I when Capt. Eisenhower was made a lieutenant colonel and given charge of tank corps training at Camp Colt, near Gettysburg. As quarters, he and Mamie drew a white pillared house. Some of the friends of those days, including Mrs. Dorothy Lynch, then wife of Eisenhower's West Point classmate, Major Duckstad, still live in Gettysburg. On lazy summer afternoons the army wives played bridge and often in the evening joined the men at cards, usually at the Eisenhower home.

"These happy days ended in tragedy. First, Maj. Duckstad was killed in France. Then Mamie's sister, beautiful golden hair 'Buster,' died. The next to go was little 'Icy,' their first son, a victim of scarlet fever. Friends say misfortune only made Mamie quieter and gentler.

Adopt Slogan For Blood Donor Drive

"An hour of your time is a life time for someone else" is the slogan adopted by the Adams County Red Cross chapter in its current campaign for 3,000 blood donors. It takes less than an hour to donate a pint of blood, Red Cross officials said.

Adams county will be one of 11 Pennsylvania counties which will be donating blood through the Baltimore regional defense center in addition to 15 Maryland counties and the entire state of Delaware.

The Baltimore center will open August 14 and the mobile unit out of that center will make its first visit to Adams county a short time later. Its purpose will be to supply whole blood to be flown to the armed forces for combat troops in Korea, or any other fighting front, and the areas of the hospitalized and to supply blood which may be made into plasma to send to the fighting fronts and to provide a reserve of plasma for defense here at home in case of bombing or other emergency.

LT. COL. PEDDY,

lege will have three new officers and two new enlisted men this fall, according to Col. Peddy. Although the college enrollment may not be as high, an increase, due to the Korean war, is expected in ROTC enrollments, he said. Names of those to be assigned have not been announced.

"Wheels" Contests Wednesday Evening

Contests for "everything on wheels" will be held at Gettysburg's two children's play spots, the Recreation park and the High street school, Wednesday evening, beginning at 7:30 o'clock. Donald Joseph, recreation director, announced today.

There will be prizes for the best decorated bicycle, best decorated tricycle, most unusual vehicle, the largest and smallest vehicles, and for the best group.

Haifa, Israel, July 24 (AP) — The Israeli government was reported by official sources today to be preparing a new law which would permit it to give concessions to American companies to carry out oil explorations. The legislation would nullify concessions given to British prospectors by the former British mandate government.

A high government source also declared that the Haifa refinery—largely owned by the British-controlled Anglo-Iranian Oil company—will soon increase production to full capacity.

Harriman Talks In Iran Strike Snag

Tehran, Iran, July 24 (AP)—Negotiations between President Truman's special envoy W. Averell Harriman and Iranian officials were reported to have hit a snag today over details for ending the bitter British-Iranian feud over nationalization of oil.

The snag was not described as a deadlock. Both Harriman and members of the Iranian government's oil nationalization board still expressed "satisfaction" with progress made in the talks so far.

But after 10 hours of discussion yesterday in the bedroom of ailing Premier Mohammed Mossadegh, the Iranian cabinet still had not reached agreement on the basis for resuming formal negotiations with Britain.

Both Harriman and the Iranians were understood to have submitted proposals "along the same general lines," according to a source close to the negotiations.

What is believed to be an all time scoring mark in the local softball league was set Monday evening as the Texas Lunch walloped the Elks 41-6 in the nightcap of the double-header.

Texas Lunch scored in every inning, pouring 11 runs over in the third and finishing up with 13 in the seventh inning. The winners collected 33 hits which included four homers, two by Lakich and one each by McDonnell and Timbers. The defeat for the Elks was costly unasmuch as they now hold a slim half-game margin over the VFW in the battle for fourth place and a position in the playoffs which are slated for next week.

In the opening game of the evening the Stanton Legion kept in the thick of the battle for fourth place by over-coming a 3-0 deficit in the late innings to defeat the Eagles 6-3. Fisher blanked the Legionnaires for four frames and then became the victim of poor support. Each team collected five hits.

Baseball League

(By The Associated Press)
The biggest Interstate league crowd of the season—3,803—was on and last night as the first organized baseball game was played in the new \$640,000 stadium.

And the fans were treated to a splendidly played, thrilling ball game with Harrisburg scoring in the last of the ninth inning to capture a pitcher's battle from Allentown, 1 to 0.

Harrisburg was the regular home but the game was played at Leaning to test out the new stadium under playing conditions.

Front running Hagerstown napped a four-game Wilmington streak by trouncing the Blue Rocks, 3-1. The Braves shelled Tom Casagrande, the Philadelphia Phillies' \$40,000 bonus hurler, for 11 hits to and Casagrande his sixth defeat in 13 starts.

In the only other game played, Lancaster's Red Roses breezed to a 1 triumph over Sunbury behind the steady, five-hit pitching of Dale. The York-Salisbury game was rained out.

Harrisburg's Howie Rodemoyer and Allentown's Red Graham set opposing batters down with monotonous regularity until the last of the ninth when Rodemoyer singled and scored after two men were out on a safety by Hal Cox. Rodemoyer limited the Cardinals to four hits but Harrisburg got to Graham for 11 safeties. They were well battered, however.

Eagles Will Meet Littlestown Here

The Gettysburg Eagles nine of the Mason-Dixon Junior Baseball league will be host to Littlestown on the Recreation diamond Wednesday evening at 6 o'clock.

The locals gained an 11-7 decision in a previous meeting at Littlestown and are hopeful of repeating the victory.

In the other league game Wednesday evening the Hanover Legion and Kiwanis clash at Hanover in a battle for first place.

Sports Roundup

By HUGH FULLERTON, JR.

New York, July 24 (AP)—The commissioners of ten major college conferences have agreed to "exchange information regarding detrimental activities"—which hardly sounds like anything new.

The best way to get the "dirt" on under-cover activities always has been to listen to someone from a rival conference or college, especially a scout who had been beaten to a good prospect. . . . Trouble is the facts and figures aren't always reliable—it's the "he turned down our offer so you can guess what they must be paying him" stuff. . . . And we have yet to see an athlete wearing one of those reported \$150 suits and driving a rumored \$3,500 convertible. . . . So we'll wait hopefully until this exchange of information actually turns up such a case.

DEEP FREEZE

Reporting, via Casablanca, on the doings of the Harlem Globe Trotters' South American troupe, Harry Hannin tells how come the fabulous touring basketballers played two games in different countries on the same day. . . . After knocking off a couple of Venezuelan teams in Caracas, the Trotters and their touring partners, the U. S. Stars, were slated for a final encounter on Saturday night, June 23, before hopping to Panama. . . . But it rained that night and an outdoor court in the bull ring was no place for basketball. . . . As soon as the game was called off, government officials firmly announced that all exit permits would be withheld until the game was played. . . . So at 10 o'clock the next morning, in a drizzling rain, the Globe Trotters whipped the Stars 49-44, collected their papers and flew to Panama to play that night.

ONE MINUTE SPORTS PAGE

Looks like Phil Wright was just trying to outdo the National League umpires when it came to throwing out Frankie Frisch. The ump only tossed him out of one game at a time. . . . A gent who usually knows the score in pro football says Ted Collins hasn't a chance of winning that contract-jumping suit against George Ratterman because the supposed three-year contract actually was a one-year affair with an option which Ted didn't pick up.

Student Picked As Top Junior Athlete

Philadelphia, July 24 (AP)—George Kolasa, a 17-year-old pre-law college student from Clarence, Pa., emerged as the "most valuable player" as the junior "Phillies" routed the junior "Phillies" 14-4, yesterday at Shibe Park.

Kolasa was picked from 44 boyhood stars who were chosen to play in the All-East American Legion junior baseball game from legion teams east of the Alleghenies.

Twenty major league scouts who watched the contest decided the Phillies' shortstop was the best in the east. They also chose 14 others to represent eastern Pennsylvania in the state final.

In a three-inning stint Kolasa hit a single and triple, knocked in two runs and made three fine fielding plays. His hits were one-third of his team's total.

AMERICAN'S LOOP LEADERS FIGHT IT OUT

By JOE REICHLER
(Associated Press Sports Writer)

Attention Will Harridge, president of the American league:

How about handing a bonus to the fellow who made out that dream turnstile schedule?

Either the guy is blessed with uncanny foresight or else he is just plain lucky. How else could he have mapped out a schedule that brings together the four top teams today and right on through the next seven games?

Switch on Friday
Specifically, the pace-setting Yankees and the red hot Cleveland Indians battle it out for the league lead today, tomorrow and Thursday. At the same time, the Boston Red Sox, tied with the Indians for second place, slug it out with the fourth-place Chicago White Sox.

On Friday they switch, Chicago comes to the Yankee Stadium for a four-game series while Cleveland travels to Boston for a three-game set at Fenway Park. Is that top-notch schedule-making or not?

Today's card pits New York's Vic Raschl (13-6) against Cleveland's Early Wynn (10-9) and Chicago's Howie Judson (4-2) against Boston's Maury McDermott (5-5) or Leo Kieley (2-0).

Braves Nip Pirates
The Yankee-Indians game is an afternoon affair. The Red Sox and White Sox clash under the lights. At present, only two percentage points separate the Yankees from the deadlocked Indians and Red Sox. The Yankees are playing .609 ball, the Indians and Red Sox .607.

Only one game was played in the majors yesterday and that was a real slugfest. The Boston Braves nipped the Pirates, 15-14, under the lights at Pittsburgh. The Braves scored the winning run in the eighth when Roy Hartsfield singled pinch runner Sibby Sisti home.

Ralph Kiner hit his 25th homer for Pittsburgh. Vernon Law was the losing pitcher for the third time in the last three games. The National league's eastern teams swung into the west today with Brooklyn holding an 8½-game lead. The Dodgers opened at Chicago. Other pairings find New York at Pittsburgh, Boston at Cincinnati and Philadelphia at St. Louis. The Dodger-Cub tilt is the only day game in the National.

Railroads belonging to the Confederate states at the close of the Civil War amounted to 11,600 miles of line.

Approximately 60 members and friends of the Chapel choir of Elias Evangelical Lutheran church attended the choir picnic held in the Luther Hahn picnic grounds along Friends creek, Sunday.

William Baker, agriculture teacher at the Emmitsburg high school, left Monday evening with a group of local FFA boys for College Park where they will attend the State FFA judging contests today, Wednesday and Thursday.

The Children's Choir and the Chapel choir of Elias Evangelical Lutheran church will meet tonight at 7 and 7:30 o'clock with Mrs. Reginald Zepp directing.

Idaville Knocked From First Place

Idaville was knocked out of first place in the Cumberland County Baseball league Monday evening when the Shippensburg VFW scored four runs in the first inning to gain a 4-3 victory at Shippensburg.

The Friendship Firemen of Carlisle defeated Boiling Springs 4-3 to gain the lead.

Chili, The Cougar, Back Home Today

Portland, Ore., July 24 (AP)—After a brief skirmish with police and a short stretch in the city zoo, Chili the cougar is back home today.

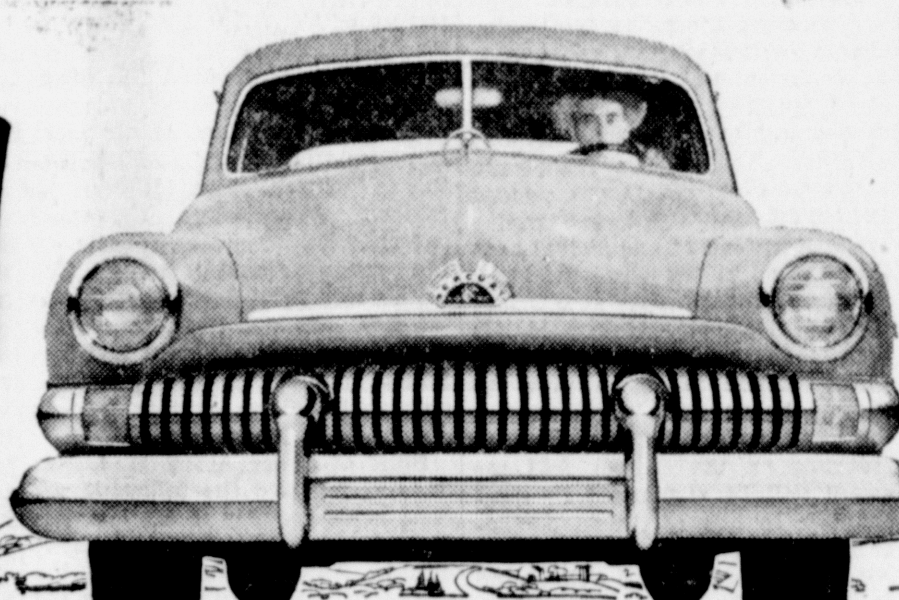

Her master scoffed at reports that the 100-pound cat is dangerous. "She's just a playful child who occasionally gets too rough with dogs," he said.

Chili got in trouble Sunday when Mrs. Louis Miller told police the big cat attacked her dog. Mrs. Miller, a 65-year-old widow, said she grabbed a 12-foot-long fir bough and clouted the cougar unconscious. Police and zoo keepers arrived later and carted the revived and snarling cat off to the zoo.

They held it there until its owner, J. Kendall Hockensmith, loaded his cougar into his car and drove back home. There Hockensmith and Chili held a press conference. They wrestled and roughhoused to show that Chili really wasn't wild.

Buyway Test

1. Road-Test proves its performance!

* Try a Mercury for size. Try it for balance, pace, and hustle. Try it for mountain-melting power. You'll find each and every inch in the performance-packed value that Mercury owners say it is. For Mercury is the car that cradles you gently, needles through traffic, parks in a pocket. It has the right combination of features to make driving real fun—handling ease, comfort and power to spare. Yes, one ride in this great car and you'll want to drive it home.

2. Budget-Test proves its value!

* Does it have a down-to-earth first price? Mercury's price tag you can understand—a big dollar's worth for every dollar invested.
* Will you be sure of good gasoline mileage? Mercury has proved its more-miles-per-gallon by winning officially sponsored economy tests.
* Is it famous for long life? It is indeed! 92% of all Mercurys ever built for use in this country are still on the road, according to latest annual official registration figures.
* Will trade-in value stay high? Mercurys keep their value; used car market reports consistently prove it.

FIFTY YEARS AGO

Wedding Bells: Mr. Jacob G. Sionaker, the efficient employee of the Standard Oil Company, stationed at this place, and Miss Louise E. Stahl, daughter of Mr. and Mrs. E. W. Stahl, of Mummaburg, were quietly married at the residence of Mr. Harry Hart, York street, last Thursday evening at 8:30 o'clock. The ceremony was performed by the Rev. D. W. Woods, Jr. Only a few of the immediate friends witnessed the nuptial. They will reside on York street.

Marriages: Raffensperger-Bowers. —July 21, at the bride's home, by Rev. U. A. Hankey, Wm. N. Raffensperger to Miss Elsie R. Bowers, both of Butler township.

Griest-Christ: —July 23, at Linwood, Md., by Friends Ceremony, Wm. H. Griest, of Flora Dale, to Rose Christ, of Toledo, Ohio.

Kime-Howe: —July 23, in this place, by Rev. T. J. Barkley, Martin W. Kime, of Straban township, to Miss Annie Howe, of Huntington township.

The Mosquito Pest: During the past several years there has been in Gettysburg an increasing annoyance from mosquitoes. To rid ourselves of the abundant presence of these insects is a matter worthy of our consideration. . . .

It is shown that an ounce of kerosene will serve for about fifteen square feet of surface and should be applied at intervals of three or four weeks.

The authorities of Winchester, Virginia, have found this method so satisfactory that they have passed an ordinance requiring each property holder to do his share of the work, under a penalty for non-observance.

The pools along Rock Creek outside of the borough, might be treated very cheaply in the same manner.

What do our citizens say? We suffer, so do our visitors. . . .

Camping Parties: The following parties from this place are encamped at Knoxlyn, along Marsh creek, and will remain in camp for two weeks: Contractor Wm. H. Johns and family, Mrs. Topper and family, Edward J. Pfeiffer and family, and Miss Mary Sefton.

H. E. Minnigh and family, of this place, are camping for a week on the banks of the Conewago, at Table Rock.

Base Ball: The game on Tuesday evening between Gettysburg and McSherrystown was a hotly contested battle. The final score was McSherrystown, 4; Gettysburg, 2. Lantz, Plank and Clay played an elegant game for the home team.

Through the efforts of M. M. Musselman, of this place, Robert McKinney, who has been playing short-stop on the McSherrystown team, has been signed by Connie Mack. Mr. Musselman received a telegram on Friday and McKinney left the same day to join the Athletics at Chicago.

The fourth game between our boys and the McSherrystown team for the championship of the county was played at the latter place on Saturday afternoon and resulted in a third victory for McSherrystown. The score, 4-2. Our boys failed to score until the eighth inning, when Minnigh slugged the horsehide for a two bagger, and was followed by Holtzworth who succeeded in driving the ball over the left field fence for a "home."

We take the following from the Phila. Times of yesterday, in regard to the game between Chicago and the Philadelphia Athletics:

Connie Mack's Athletics won a twelve inning game from the White Stockings today by a score of 2 to 1. The game was a pitcher's contest throughout and all the runs were accumulated through errors. Pitcher Plank was right there all the way and when the long-drawn contest was ended Connie Mack threw his arms around the young fellow and thanked him for his magnificent work. Up to the seventh inning not a hit was made off Plank.

Today's Talk

By GEORGE MATTHEW ADAMS
LIVE DEEP

Too many of us, I fear, live superficial lives, not living deep enough. And what I mean by "deep" is taking on only the essential things from day to day that really matter. Thoreau gave as his reason for building his crude cabin on the edge of Walden Pond and of his desire to live there, that he "wished to live deliberately, to front only the essential facts of life, and see if I could not learn what it had to teach." Again he said: "I want to live deep."

The older we grow the more we realize the significance of things that we rarely thought about in youth, and how much it means for us to do the little things that bring joy and happiness to others. We learn we can give of ourself in a number of ways and that this is the greatest gift anyone can give. We learn of the small place that mere money takes, and of the larger place that character takes, and the joy of service, no matter where or how performed.

We ought to be the most of what we are without frittering away precious days, months and years. There is so much to do, and so little time. When are we to think in terms of peace and good will toward ALL men? Perhaps we will when we learn to live deep in the interests of our fellowman.

We can live deep in friendship; we can love deep, be buried deep in the best and most inspiring of books. We can be deeply in love with our work, no matter what its nature may be, so long as it's honest and useful. We live deep when we live sincerely, earnestly and unselfishly.

That which incites us to a depth of living are the thoughts which we think. They govern our way and rate our standing with ourselves and with others. These thoughts of ours take a trend. And it is this trend that gives to us the appraisal we deserve. What we are—deeply—is what we actually are. Our forefathers lived deep. It was survive or perish with them. They decided to survive!

Tomorrow Mr. Adams will talk on the subject: "The Balm of Silence."

FISHERMAN LUCK

A bite! And his worries were ended! The thrill of a tug at his line! The world for that second was splendid.

Of trouble there wasn't a sign. He was done with all doubting and fearing.

He hadn't a pain he could feel. The sweetest of times he was hearing:

The musical click of the reel.

A worker he was in the city:

A fisherman out on the stream.

A bite! And he needed no pity.

His eyes had a glorious gleam.

In the making perhaps was a story.

Come winter, with pride to relate.

He was living a moment of glory!

A big one had struck at his bait.

Whenever I see men go fishing,

That luck will go with them I pray.

I must stay on the shore, but I'm wishing

They'll find they are biting that day.

May their rods in the struggle bend double;

May a bass run away with their cares.

And freed from all heartache and trouble

May minutes of rapture be theirs.

URGE RENEWAL OF WATER LINES ON MAIN STREET

The Littlestown borough officials have urged that all property owners on North and South Queen streets renew their water lines as the excavation now in progress on those streets reveals that most of the lines are in bad condition. All those owning properties on these two streets, who wish to have rain water from their properties carried by way of the spouting to the street, are asked to notify the contractor so that pavements indentations may be made accordingly. If it is desired that the water should be carried underground by means of spouting, arrangements should be made with a plumber and then the highway engineers and contractors have requested that they be notified so that provisions may be made to release the water at the curb.

The work on the new road was started on South Queen street at the borough line about two weeks ago and will cover a distance of 5,139 feet, ending at the borough line on North Queen street. The road will be widened almost the length of both streets or at points where necessary. The roadbed will be 30 feet wide and the road is to have an I. D. 2 bituminous surface. Dewey Collins, of the state Highway department, is the chief engineer in charge of construction. A detour is now in effect from the local square at Route 140 to Route 194 on the Littlestown-Hanover road, to the state road 01029, about two miles east of town, and the detour ends at the John Wintode property, on the Littlestown-Westminster road, where traffic will again be back on Route 140. As long as there is no interference with the construction on South Queen street, the local traffic will be allowed to travel there, however the bridge at the end of the street has been torn down and a new one will be built.

Game on Wednesday

In the Pen-Mar Baseball league, the Littlestown team will oppose the Westminster team on Wednesday evening at 8 o'clock, on the Littlestown Memorial field.

The "Charm in the Home Club" (Littlestown 4-H club), will meet on Wednesday afternoon at the home of Miss Erika Kassburg, Gettysburg R. 1, during which time the girls will continue to work on their individual projects.

The July meeting of the Young Men's Bible class of Redeemer's Evangelical and Reformed church will be held on Wednesday evening at 8 o'clock, in the church social hall.

Plan Two Drawings

A meeting of the 21 local merchants participating in the weekly Appreciation Day program, sponsored by the Littlestown Chamber of Commerce, was held on Monday morning at Banker's restaurant, South Queen street. It was decided to hold two drawings each Saturday evening, instead of one as had been the custom in the past. The first drawing will take place at 8 o'clock in front of the Record shop, as has been done previously. The person whose coupon is drawn must be present to receive a percentage of the total amount in the jackpot, as indicated on the coupon, and the award will be exchanged in merchandise by any of the 21 participating merchants. The second drawing will take place at 9 o'clock and at that time the person whose coupon is drawn must be present to receive a merchandise coupon worth \$21 at the store which issued the winning coupon.

The total jackpot for the program this Saturday evening at 8 o'clock will contain approximately \$380. The 9 o'clock program will take place for the first time this week. The 21 merchants cooperating with the programs are: Marshall's Rexall Drug store, Samuel H. Hignibotham jeweler, Houston's grocery, Karl P. Banker restaurant, George M. Zerfing hardware, Renner Brothers hardware, Herring's market, Littlestown 5 and 10 Cent store, Marvin's Cut Rate, Lemmon's

timore where he has secured a position.

Samuel Weiser left Friday morning to join Co. G, 8th Regiment, Pennsylvania National Guard, who are now encamped at Mt. Gretna.

Master Maurice and Miss Nellie Weaver are off on a trip to New York City.

Miss Bessie Yount and Miss Hattie Todd, of Washington, D. C., are visiting Mr. and Mrs. John Sweney.

Miss Martha Dixon and Miss Mary Swope are visiting Miss Nina Storrick in Straban township.

Mrs. Anna Kitzmiller and Miss Calvin Gilbert, Route Agent G. B. Lear and E. E. Slaybaugh from Gettysburg. Those from Littlestown were Postmaster L. M. Allen and Carriers S. H. Rebert and John Reidenbaugh, while the Fairfield service was represented by Postmaster J. W. Moore; Carriers Howard Harbaugh and Preston Musselman; substitute Frank Moore, Dr. N. C. Trout, Dr. J. E. Governor Battle Was Locked Out

Richmond, Va., July 24 (AP)—The tall gentleman was returning from his vacation.

He walked up to his front door last night, fumbled in his pocket and found he'd forgotten his key. He rapped on the door; he pushed the bell. No answer—the lady of the house was out.

A policeman assigned to the area happened by. Luckily, he had a key. And the tall gentleman—Virginia's Governor John S. Battle—stepped into the governor's mansion.

Littlestown

Littlestown—Mr. and Mrs. William T. Gingrow, Jr., and son, Thomas, of town, left Friday for a two-week vacation in Maine and the other New England states.

Miss Brenda K. Walker, a member of the nursing staff of Church Home and Hospital, Baltimore, spent the week-end at the home of her mother, Mrs. Hamilton C. Walker, Lumber street.

Edward H. Leister, West Myrtle street, received the award at the weekly Appreciation Day program on Saturday evening. Mr. Leister received ten percent of the total jackpot, which contained \$375.

Pfc. Glenn E. Unger, serving with the U.S. Air Force, now stationed at Fort Belvoir, near Alexandria, Va., spent the week-end at the home of his parents, Mr. and Mrs. Ralph I. Unger, and family, East King street.

The following young people from Redeemer's Evangelical and Reformed church left on Sunday to spend this week at Camp Michaux, near Pine Grove Furnace: Robert Little, John Reynolds, John Shomper, Mary Ann Burgoon, Gloria Burgoon, Tyrone Maitland, Thomas Maitland, Geraldine Roberts and Wayne Miller are attending the Junior camp sessions. Dianne Cornell is attending the Senior high school camp group. The pastor, the Rev. Frank E. Reynolds, is one of the teachers for the Senior high camp.

The last service in the summer series of union vespers was held on Sunday evening in the pavilion at Crouse Park, with the Rev. Harvey B. Simons, pastor of Centenary Methodist church, in charge. Opening prayer was offered by the Rev. G. Howard Koons, pastor of Christ Evangelical and Reformed church. The scripture, Matthew 3:1-11, was read by the Rev. Charles B. Rebert. The Rev. Mr. Simons used as his sermon theme, "A Message From the Beatitudes." The Rev. David S. Kammerer, pastor of St. Paul's Lutheran church, received the offering, and the benediction was pronounced by the Rev. Kenneth D. James, pastor of St. John's Lutheran church. Mrs. Harvey B. Simons, organist at Centenary church, presided at the console for the congregational singing. The Littlestown Ministerium, of which the Rev. Frank E. Reynolds, pastor of Redeemer's Evangelical and Reformed church, is the president, sponsored the five outdoor vespers.

HOUSE MAY GET MILITARY BILL

Washington, July 24 (AP)—A military construction bill that includes a \$75,000,000 air force authorization for Middletown and Lancaster, Pa., may be presented to the House Rules committee this week.

Chairman Vinson (D-Ga.) of the House Armed Services committee told a reporter he will seek a go-ahead for the measure as soon as he completes his report on it. The bill would authorize \$5,700,000,000 of army, navy, marine corps and air force construction in this country and abroad.

Before being considered by the House, the measure will have to be granted a rule by the House Rules committee. A rule stipulates the length of time and parliamentary conditions under which a bill is debated and voted upon.

As this bill originated in the House, after passage there it must also pass the Senate. It is regarded as a certainty it will become law, but changes still may be made in any item in it.

"I hope to go before the Rules committee this week," Vinson said. "I'll do it as soon as I can write the report." A report is a summary of what a bill contains. It is issued for the guidance of Congress.

If approved in present form, the section of the huge bill dealing with Middletown and Lancaster would permit the spending of \$74,000,000 for an expansion of Olmsted air force base, now situated at Middletown.

WEST EUROPE'S DEFENSES LOW

Washington, July 24 (AP)—Senators agreed today western Europe has revived the will to fight but still sadly lacks adequate defenses against possible Russian attack.

A cross-section of views of a group which toured Europe seemed to indicate a much more favorable reception for the administration's proposed \$8,500,000,000 foreign military and economic aid program than was evident before.

Senator Hickenlooper (R-Iowa) told reporters Gen. Dwight D. Eisenhower told foreign relations committee members in Paris he regards the full amount as "essential" if the program of rearming western Europe is to be pushed ahead.

Saying that Eisenhower urged speed in providing equipment, Hickenlooper said he personally favors producing guns, planes and other equipment as swiftly as possible. He said Eisenhower has commitments for 60 defense divisions, but can't bring them into being any faster than arms are available for them.

Chairman Connally (D-Tex.) announced the Senate foreign relations committee will begin hearings on the proposed big aid program Thursday, with Secretary of State Acheson as its first witness. Secretary of Defense Marshall will follow him the next day. Hearings have been in progress in the House for several weeks.

IMPORTANT STEPS WITH IRISES

The common bearded or "flag" iris is widely loved and grown, yet even experienced gardeners seldom attain the excellence of flower and foliage possible with this hardy perennial. Below are outlined the most important facts about iris culture, written primarily for beginners but intended to help experienced growers over obstacles which bar this ornamental from the "extra fine" class.

All bearded irises like full sunshine and good soil drainage. And while they thrive in numerous types of soil, they demand deep mellowness in which to enjoy freedom of root penetration and ample supplies of stored moisture to carry them through their long growing season. To give them shady locations, particularly where they must compete with tree roots for moisture and sustenance, consigns this plant to

Local leadership of both major parties are at stake today as Pennsylvania voters choose candidates in the 1951 primary election.

Local fights between opposing political leaders overshadow the lone statewide contest for the Democratic nomination for state Supreme Court Justice.

The polls opened at 7 a.m. and closed at 8 p.m. (Eastern Standard Time) today.

State Court Fight

Incumbent Justice Grover C. Ladner, Philadelphia, is opposed by Judge Michael A. Musmanno of Allegheny county for the high court post in a Democratic battle that is tantamount to election. Two vacancies—one from each party—exist.

Justice T. McKen Chidsey, Easton, is unopposed on the Republican side.

However, the eyes of most political observers are on the local contests for municipal and county officials and one congressional seat.

Local option elections on permitting the sale of liquor or beer will be another side issue in 132 Pennsylvania communities.

Philly Elects Mayor

Some 4,771,182 voters from both parties are registered. That's about 10,000 more than were eligible for last year's gubernatorial and senatorial election.

Philadelphia and 28 third class cities will nominate candidates for mayor. All 67 counties will pick party choices for judges, county commissioners, sheriffs, district attorneys and other officials.

The once-powerful GOP organization in Philadelphia is trying to overcome three straight defeats by backing Dr. Daniel A. Poling, a nationally-known religious leader, for mayor. He is opposed by Walter P. Miller, Jr., a paper box manufacturer. The Democrats also have a two-way fight for the nomination for mayor. The party organization is supporting Joseph S. Clark against Independent Joseph Sharfstein.

Tests In West

The first election under Philadelphia's new city charter also finds a flock of candidates running for city council seats, some of which will be filled by a citywide vote instead of by wards.

Western Pennsylvania will be the scene of tests for President Truman and Gov. John S. Fine. Voters in the 33rd Congressional district will

name a successor to the late Rep. Frank A. Buchanan, McKeesport Democrat, in a special election. Mrs. Vera Buchanan, 48-year old widow of Rep. Buchanan, is the Democratic choice and a staunch Truman supporter. The GOP candidate is 30-year old Clifford W. Flegal, McKeesport city solicitor and a critic of the President's foreign policy.

Sen. John M. Walker, Republican floor leader in the state Senate but an opponent of the Fine-backed state income tax, is backing the organization to run for Allegheny county commissioner.

Dauphin Scene Of Battle

Pine has announced a hands-off policy in the county contests but U.S. Sen. James H. Duff, an Allegheny county resident, has backed organization candidate Louis J. Conly. The former governor omitted mention of Walker although two commissioners will be chosen.

Dauphin county, home of State Sen. M. Harvey Taylor, GOP state chairman and president pro tempore of the state Senate, is the scene of a bitter fractional fight. The Taylor-supported candidates are opposed by a slate led by former Congressman John C. Kunkel, who unsuccessfully opposed Duff's bid for the Senate last fall. Kunkel himself is running for county commissioner. Taylor is not a candidate, but is supporting a complete slate of candidates.

In the Supreme Court race, both Ladner and Chidsey were appointed by former Governor Duff last year to fill vacancies.

MUSEUM VISITORS

Ten French agriculturists, on a tour of the U. S. to study the operation of farmer cooperatives, the Grange and similar agricultural organizations, took time out for the Battle of Gettysburg Sunday. The group visited the Gettysburg National museum and the National cemetery "to see where Lincoln made his speech" as one put it. Tourists from 39 states, the District of Columbia, Canada, French Algeria, and Glasgow, Scotland, visited the museum over the weekend.

LARGEST CROWD SUNDAY NIGHT

The largest crowd of the campaign attended the Adams County Evangelistic Crusade Sunday night in the Great Conewago Presbyterian church at Hunterstown. Rev. Laverne Rohrbaugh, pastor of the Evangelical United Brethren of Biglerville, directed the song service, and his wife gave a vocal solo. The union choir sang a number directed by Jack Baird. A vocal duet was presented by Rosemary and Dorothy Crees. Evangelist Robert D. Crees had as his sermon theme "The Second Coming of Christ."

Last Saturday night two awards were presented, one to Mrs. James Ford for bringing in the most new people to the meetings in the last three nights, and the other to nine-year-old Patricia Ann Esler, for reading 84 chapters of the Bible in three days.

Wednesday has been designated as "family night" and a framed picture of the Great Conewago church will be presented to the largest family

present. The picture is a photographic reproduction of a painting of the 164-year-old stone church by the Hunterstown artist, Frederic J. Kurtz. Mr. Kurtz has colored and autographed the picture.

Monday Rev. Crees preached on, "Courtship, Marriage, Bossy Wives, Slacker Husbands." John Korver of New Oxford rendered a vocal solo, and Rosemary Crees and Jack Baird sang a duet. This evening the theme is, "Throwing the Devil for a Loss." Thirteen-year-old twins will provide the special music, Doris and Delores Group of Idaville. Wednesday the subject will be, "Will We Recognize Loved Ones in Heaven?" Miss Evadell Crider and Miss Lois Mae Ferrence of Gettysburg will sing a duet, and Dorothy Crees will present a vocal solo.

Thursday's subject is "Ambassadors for Christ," with special music from the Methodist Men's quartet of Benndersville and an accordion number by Mrs. Arlene Faust of Biglerville E.U.B. church.

The union county revival services continue each night at 8 o'clock and are to conclude Sunday night.

SLAIN MONARCH IS BURIED WITH MILITARY RITES

Amman, Jordan, July 24 (AP) — Bugles sounded a farewell salute across the barren, rocky hills of Jordan Monday as the body of murdered King Abdullah was lowered into its grave. Guns of the Arab legion boomed out at one-minute intervals as the cortege moved to the grave.

The wailing of thousands of subjects could be heard on the surrounding hills during the solemn funeral procession from the assassinated king's royal palace to his burial place.

Black flags draped this dusty little capital in preparation for three months of mourning for the powerful British-supported Arab king. He was assassinated Friday as he went to pray at the tomb of his father in the Mosque of Omar in the Jordan-held old city of Jerusalem.

Priests Chant Prayers
Commanders of Abdullah's Arab legion carried the flag-draped coffin from the palace to a gun carriage, and then from the carriage to the grave. At the side of the grave the coffin first was placed on a pedestal covered with Jordan's national colors. High Moslem priests chanted death prayers.

Abdullah's white horse, caparisoned in black and carrying Abdullah's silver sword and his riding boots, led the funeral procession immediately behind the coffin. The legion guns continued their mourning salutes at one-minute intervals throughout the day.

An estimated 1,000 dignitaries from neighboring Arab countries and from other parts of the world marched in the funeral procession behind the royal casket. Only those with special permits were permitted to take part in the procession. Others were kept away by machine gun and barbed-wire emplacements on the surrounding hills.

Troops Guard Capital
Earlier the body lay in state in the palace throne room, with commanders of the Arab legion in formal uniform and Jordan's Moslem leaders forming a ring of honor around it.

Arab legion troops in full battle dress guarded every corner of the capital, but the city was calm. Strict security precautions have been taken. The late king's nephew, Prince Abdul Illah, regent of neighboring Iraq, and his son, Prince Naif, now regent of Jordan, headed the list of mourners. Abdullah's eldest son, Prince Talal, is ailing in Switzerland and did not come home for the funeral.

SEE NEW HOPE IN IRAN ISSUE

Tehran, Iran, July 24 (AP) — An Iranian cabinet member said Monday a formula has been found for reopening negotiations with the British on the oil nationalization dispute.

The first specific statement of progress in settling the critical British-Iranian deadlock came from Dr. Karim Sanuadi, minister of education, after a six-hour conference between Prime Minister Mohammed Mossadeq, the cabinet and the Iranian oil nationalization board.

Another member of the government indicated that some formal announcement of the extent and nature of the progress might be made after continued talks tonight with President Truman's global trouble shooter, W. Averell Harriman.

Kazem Hassibi, a government representative on the oil board, said: "The cabinet and the joint oil board agreed on a memorandum which will be handed to Harriman tonight."

"It forms the basis on which negotiations with the British might be resumed."

The memorandum apparently is based on the result of week-long talks between Harriman and Iranian leaders.

Record Flood Is Below St. Louis

St. Louis, July 23 (AP) — The peak of the midwest's greatest flood in more than 100 years rolled south of St. Louis today as nature fed another diet of rainfall on the water-soaked area.

The worst of the rains fell in northern Missouri and north-central Illinois. There were scattered storms in the St. Louis area.

The new rains, accompanied by strong winds, aren't expected to bring the major Missouri and Mississippi rivers back to their record levels of last week, but may keep remaining flood waters from draining as rapidly as expected.

The small Grand Chariton rivers, which feed into the Missouri river in the central part of the state, are out of their banks.

Denver, July 24 (AP) — Sen. James H. Duff (R-Penn.) said Monday that although a cease fire might be declared in Korea, Russia is still determined to dominate the world.

Duff called for an enormous increase in the armed strength of the U. S., a more determined effort toward a united front among all free nations, and a truly bi-partisan foreign policy in this country as the only means to prevent success of Russia's plans, in a speech prepared for delivery at the World Affairs Institute of the University of Denver.

Wildcat Strike In Steel Plant Ends

Aliquippa, Pa., July 24 (AP) — A wildcat strike, which had closed the big Aliquippa works of Jones and Laughlin Steel corporation, ended Monday with the first of 12,000 idled workers returning to their jobs.

Operations resumed on the first day shift shortly after midnight. The walkout began last Thursday after the company discharged a shipping department worker for sleeping on the job. Pickets were thrown around the plant while district officials of the CIO United Steelworkers tried to get the men back at work.

A Local 1211 committeeman, Clarence Pease, said the men have agreed to return to their jobs and process the grievance through regular contractual machinery.

There was no company comment beyond an announcement that it had been informed by the local that the strike was over.

TRUMAN WANTS LARGER FORCE

Washington, July 24 (AP) — President Truman Monday told Congress it probably will be necessary to strengthen the armed forces beyond the present goal of 3,500,000 men, regardless of peace prospects in Korea.

He called for "full speed ahead" on the military build-up, with no yielding to those who would discard the anti-inflation control system "or shoot it full of holes."

The message was Mr. Truman's midyear economic report. It went to Congress along with a 255-page economic review prepared by his council of economic advisers.

Mr. Truman set his sights on a \$30,000,000,000 increase in the annual military spending rate in the year ahead.

This, he said, will require up to 2,000,000 more workers, a five per cent boost in national output despite cuts in civilian goods, plus stiff taxes and controls to offset a widening "inflationary gap."

Whether or not new air groups, army divisions and navy and marine units are added, he said, "we must move full speed ahead toward our present goals."

Eisenhower Favors One-Flag Command

Washington, July 24 (AP) — A Senator just returned from Europe said today Gen. Dwight D. Eisenhower wants to form a non-national army under a single flag and command to defend western Europe.

Senator Brewster (R-Maine), one of nine members of the Senate Foreign Relations committee who returned today from an inspection trip to Europe, quoted Eisenhower as saying he is "going all out" in support of this idea.

The British oppose the Eisenhower plan, Brewster said. He added that he was told France and western Germany are near agreement, however, on the general principles of single-uniform army.

Aged Cardinal Of Poland Succumbs

Warsaw, Poland, July 24 (AP) — Adam Stefan Cardinal Sapieha, 84, archbishop of Krakow and the last free Roman Catholic cardinal behind the iron curtain, died in Krakow Monday after a long illness.

His death reduces the Roman Catholic college of cardinals, which at full strength has 70 members, to 49. He was the fourth cardinal to die this year.

Cardinal Sapieha was an unflinching fighter for the rights of the Catholic church both during the wartime occupation of his country by the Nazis and under the post-war Communist regime.

Ask State Probe At Penn State College

State College, Pa., July 24 (AP) — Officials of the Pennsylvania State college declined comment today on a request for a state investigation of what was termed "unAmerican influences and activities" at the school.

The investigation was requested in a resolution passed by 26 poets of the American Legion's 23rd District, comprising Centre, McKean, Clearfield and Cameron counties.

"No comment by college officials is expected on the matter until President Milton S. Eisenhower returns from a Wisconsin vacation this week-end," a spokesman said.

The Legion resolution will be presented for consideration by the organization's annual convention at Pittsburgh next month, a Legion official said.

Nab Drunk Taking Ride In Cop's Car

Philadelphia, July 24 (AP) — The occupant of the patrol car that whizzed past two policemen last night looked a little strange. So the policeman hailed a passing motorist and gave chase.

When they caught up with the patrol car, they found out why the driver hadn't seemed to belong. He wasn't a policeman.

The man, Aubrey Nichols, 31, explained that he saw the car parked at Germantown hospital (where its driver had taken an accident victim) and decided to take a ride.

Nichols was booked on charges of larceny and drunken driving.

SHOWDOWN ON STATE DEPT. DUE TUESDAY

Washington, July 24 (AP) — House critics of the state department get their long-awaited chance this week to try to knock Secretary Acheson off the federal payroll.

The showdown will probably come tomorrow, when the house considers amendments to the annual money bill of the state, justice and commerce departments and the federal judiciary.

In advance of the voting, Truman administration leaders voiced confidence they could halt the "get-Acheson" drive, although they conceded the vote may be close.

An amendment that would have the effect of removing Acheson from the payroll—although not from his job if he wants to serve for nothing—is being drafted by Rep. Phillips (R-Calif.).

Has Strong Backing

It has strong backing from Republicans and from many southern Democrats, although not all Republicans are expected to support it.

The Phillips amendment does not name Acheson. But it would deny the use of any department funds to pay the salary of any departmental official who, at any time during the five years preceding appointment, was connected with a business or profession that represented a foreign government.

Acheson was connected with a local law firm that represented the Polish government.

Rep. Rooney (D-N.Y.) floor manager of the state department bill, calls the Phillips proposal a "blunderbuss" approach. He told the house yesterday it would affect not only Acheson but many other top officials, including John Foster Dulles, a prominent Republican, and several ambassadors.

But, even if it were limited to Acheson, he said, it would violate the constitutional prohibition against bills of attainder—a legislative act which penalizes a man without judicial trial.

JEALOUS HUBBY HELD IN MURDER

Oakland, Calif., July 24 (AP) — Police today blamed jealousy for the knife-slaying of Robert E. Heskett, 55-year old divorced husband of novelist Betty MacDonald.

Officers said Heskett was stabbed by Thomas J. Blake, 37, Visalia, Calif., bulldozer operator, in a quarrel over Blake's ex-wife, Thelma, 35, Blake was charged with murder. Heskett, an Oakland carpenter, was "Bob" in Miss MacDonald's best selling "The Egg and I."

Heskett was divorced by Miss MacDonald in 1935 after eight years of marriage and two daughters. She was awarded custody of both.

Investigators said Mrs. Blake told them: Blake came to Heskett's apartment Sunday, demanding to see her and "my babies." She said she and daughters, Peggy Lou, five, and Shirley Marie, seven, had moved in with Heskett a week previously.

Heskett ordered Blake to leave. There was a fight. Heskett collapsed, stabbed in the heart. Blake told police he stabbed Heskett in self defense because Heskett had swung at him with a hatchet.

Old Sewer Caves In; Car Tumbles 35 Feet

Philadelphia, July 24 (AP) — A section of a west Philadelphia street built over a 60-year-old sewer collapsed last night. An unoccupied 1951 car fell 35 feet through the gaping hole.

The cave-in was on the same street and a half block from the site of two similar accidents 19 and 20 years ago in which one person was killed and 15 others injured.

After the cave-in, 100 residents were ordered to leave seven apartment houses and a tavern was closed as precautionary measures.

Repair work has been made on the area from time to time during the past 20 years. In 1931 a man died when two houses in the block collapsed. A year earlier, a truck plunged 35 feet into a hole, injuring two men.

CROUSE REUNION

A reunion of the Crouse clan was held last Sunday at Sheffer's park. The party was attended by 100 members of the Crouse family.

DELAY MAY COST STATE MILLIONS

Harrisburg, July 24 (AP) — The legislature is waging a losing race with time on a plan to give voters in November an opportunity to ballot on saving millions of dollars in bond interest costs.

Under the plan, the commonwealth would be permitted to sell \$215,000,000 in bonds to replace bonds sold by the General State Authority and Highway and Bridge Authority.

And behind the plan is the idea that bondholders would ask for an interest rate on commonwealth funds cheaper than the 1.74 per cent and the 1.84 per cent they now receive on \$95,000,000 in GSA bonds. In 1947, the commonwealth obtained a 1.27 interest rate on a \$50,000,000 construction bond issue.

The 1949 legislature started the ball rolling on a constitutional amendment to permit such a state bond issue. Further action in the current session of the legislature was not started until the introduction of a bill July 9, six months after the lawmakers first went into session.

As it stands now, the bill could not be passed until August 2 at the earliest. Since the lawmakers are in recess until July 30. For a constitutional amendment, the state must advertise the plan in every county in the state three months before it appears on the ballot. That means the entire advertising procedure must be completed August 6.

Rep. Albert W. Johnson (R-McKean) said that if the plan is not able to get on the ballot in November, it would appear next year.

Woman Gets Eight Years In Prison

Camden, N. J., July 24 (AP) — Forty-six-year-old Mrs. Edna Elizabeth Bower has been sentenced to eight years in a federal prison for her part in a plan to sell non-existent surplus army automobiles.

U. S. District Judge Thomas M. Madden also gave Mrs. Bower a three year concurrent term, yesterday, and placed her on five years probation, to begin when she finishes her sentence.

Her husband, J. Stanley Bower, 40; his brother, George W. Bower, 57; and George's wife, Emily, 43, were also convicted, but sentence is being held up pending the outcome of appeals.

Blames Lewis For Red Infiltration In CIO

New York, July 24 (AP) — An American Federation of Labor official says John L. Lewis was responsible for Communist infiltration in the rival CIO as far back as 1935.

George Meany, AFL secretary-treasurer, says Lewis gave Communists a beachhead in labor when he organized the CIO.

Lewis, now at odds with the CIO, is president of the United Mine Workers of America, an unaffiliated union.

Meany made his remarks at the opening session yesterday of the five-day, 35th convention of the AFL International Longshoremen's association. The CIO recently has ejected leftist-led unions from its ranks.

Joseph P. Ryan, president of the longshoremen's union, told the convention that hourly wages of its members have increased from 85 cents to \$2 since 1947.

September Draft Quota Is Increased

Harrisburg, July 24 (AP) — State Selective Service headquarters today listed Pennsylvania's September draft quota at 1,503.

The Keystone state's figure is part of the national September quota of 34,180. It represents an increase of 144 over the August quota of 1,359.

Littlestown SCOUTS HOME FROM CAMP AT NATURAL DAM

Thirty-five members of Littlestown Boy Scout Troop No. 84 participated in the program at the scout camp conducted last week at Natural Dam. The Scouts returned home on Saturday afternoon from the annual seven-day program. Adults attending camp were Scoutmaster Edgar A. Wolfe, Assistant Scoutmasters Edward B. Geiman and Glenn Dutterer, and Committeeman Luther D. Snyder. Ray Study served as cook.

The daily routine started at 7 a.m. with reveille and ended with "lights out" at 9:30 p.m. There were two swimming periods daily. On Saturday evening, a campfire was held and Sunday school was conducted by Paul E. King, superintendent at St. John's Lutheran Sunday school, on Sunday. Transportation was provided for boys wishing to attend mass at St. Aloysius Catholic church, Littlestown. During the afternoon, parents of the Scouts visited the camp. A vesper service was held in the evening, in charge of Rev. David S. Kammerer, pastor of St. Paul's Lutheran church.

Stunt Night Program
During the week there were various hikes. A visitors' night program was presented Thursday evening with approximately 50 parents and friends in attendance. The program included skits, stunts and group singing. John L. Bloom, representing the local Lions and Rotary clubs, presented a new charter troop No. 84, which was accepted by Scoutmaster Wolfe. Ice cream and cake were served to the scouts at the close of the program.

On Friday morning additional scout work was done and in the afternoon and evening contests were held. The contests and winners were as follows: water boiling, Eugene Sentez; rope climbing, John Bushey; boat racing, 11 years old, Galyon Cornell, 12 years old, Michael Cookson; 13 years, Melvin Flynn, and 14 years, Dean Bankert; diving, 11 years, Eugene Sentez; 13 years, Larry Worley; 14 years, George Snyder, and 15 years, Dean Sell; funny diving, 11 years, Galyon Cornell; 13 years, James Sellman; 14 years, Jack Stites, and 15 years, Dean Bankert; fastest swimming, 11 years, Tyrone Maitland; 12 years, Michael Cookson; 13 years, Larry Snyder; 14 years, Jack Stites, and 15 years, Dean Sell; under water swimming for greatest distance, Terry Brown; one hour fishing contest, biggest fish caught, Robert Crouse, and most fish caught, Tyrone Maitland. Prizes were awarded to the winners in the evening.

During the week at camp ten boys were advanced to second class scouts and three were advanced to first class scouts. The name of these boys will be revealed at the next court of honor. The regular meeting of Troop No. 84 will be held on Wednesday evening in the basement of the Littlestown State bank building.

At the same time, Sparkman told a reporter he sees no reason why Eisenhower can't have the job sufficiently advanced by next spring to be able to return to civilian life.

The Alabama senator indicated he thinks the five-star general then might be available for the Democratic presidential nomination. He

said, however, he and other touring senators didn't discuss this or any political question with Eisenhower in recent conferences in Paris. They returned to Washington yesterday.

"I hope General Eisenhower isn't pressed too hard now by well-wishing friends to make a statement of his position," Sparkman said. "I

hope they won't indulge in any political actions for several months at least.

SIMPLE RITES WEDNESDAY FOR MARSHAL PETAIN

He D'Yeu, France, July 24 (AP)—A simple funeral and a gravestone bearing only his name were readied today for Marshal Henri Philippe Petain, who in life had worn the laurels of a national hero and the chains of a condemned traitor.

Denied burial at Verdun among the soldiers he led in World War I, the 95-year-old chief of the Nazi-dominated Vichy regime will be laid to rest here tomorrow in the little stone-walled cemetery of Port-Joinville.

Friends and admirers hurried to this bleak Atlantic island for the rites. The grave was made ready. Ready, too, was the simple headstone reading "Philippe Petain"—without mention of his rank or qualities.

Petaim died here yesterday, after almost six years of exile following his conviction of treason for his acts as head of the Vichy government. In death he remained a controversial figure, as his supporters continued their fight to clear his name.

An appeal from Petaim's lawyers to bury the old soldier at Verdun, where he often said he wanted to be put to rest, was turned down last night by the government.

Officials said, however, the decision may not be final. The government is without a premier at the moment. When a new cabinet is set

up, it may decide further on the burial question.

Among those expected here for the funeral was Gen. Maxime Weyand, commander in chief of France's armies in 1940 and Petaim's representative as governor and commander in North Africa from September, 1940, to November, 1941.

Some Senators Ask For More Information

Washington, July 24 (AP)—Some senators called today for more information on why President Truman believes it probably will be necessary to build the armed forces beyond the present goal of 3,500,000 men.

Senator Morse (R-Ore.) declared, however, he is convinced the President is right. The Oregon lawmaker said the strength of the fighting forces must be increased, from both a manpower and an equipment standpoint "if we are to make it clear to Russia she has everything to lose and nothing to gain as a result of any aggression."

In his midyear economic report, Mr. Truman told Congress yesterday the 3,500,000-man goal, now almost reached, may prove inadequate regardless of the outcome of the true talks in Korea.

The President urged "full speed ahead" on the military build-up generally and said 3,500,000 men in uniform may not be enough to thwart a global threat of Soviet "blackmail" and aggression. Mr. Truman also declared there should be no yielding to those who would discard the anti-inflation control system "or shoot it full of holes."

Emmitsburg

LIST WINNERS OF 5 SCHOLARSHIPS

St. Joseph college has announced five scholarship awards to students who placed among the first in the College Entrance Board examination. Winners are Beatrice Fey, Utica, N. Y.; Mary Jane Gorman, Lynchburg, Va.; Rosemary Herzog, Brooklyn, N. Y.; Marthe-Marie Methot, Bridgeport, Conn. Miss Valerie Sedlak, Baltimore, has also been notified by St. Joseph college that she has won a four-year scholarship. The winner was elected on results of the College Entrance Board last January. Miss Sedlak is a graduate of Seton high school.

Sister Margaret Plinton, assistant professor of French at St. Joseph's college, recently sailed on the SS. America for Paris. For the next two years, while studying for her doctorate in French at the Sorbonne, Sister Margaret will live at the Motherhouse of the Daughters of Charity, 140 Rue du Bac.

Mr. and Mrs. Thornton Rodgers and son, Donald, and Mrs. Marie C. Rosensteel returned home Sunday afternoon after spending a week touring the New England states. The trip covered 1,700 miles and was made entirely along the coast.

Plan Annual Picnic
Mr. and Mrs. Robert Jacobs, Pittsburgh, were callers on Sunday at the home of Mr. and Mrs. Cloyd Seiss.

St. Joseph's Catholic church summer picnic will be held on Saturday and Sunday, July 28 and 29. Suppers of roast chicken or ham and all the trimmings will be served on Saturday from 4 to 8 and fried chicken or ham on Sunday from 12 noon until four. The suppers will be served in the cafeteria of the St. Joseph's high school. Other attractions will be in the church grove.

The committees for Old Home Week and carnival will meet Wednesday night at the Fire hall at 8 p.m.

Miss Loretta Boyle had as her guest, Miss Sandra Hall, Caledonia, for several days.

Entertains Club
Mrs. Thomas J. Prailey was host to the Over-The-Tea-Cup sewing club last week.

Recent guests and week-end visitors at the home of Mrs. Harry Boyle were: Miss Pauline Staub, Baltimore; Steve Eturgious, Parks, Arizona; Mr. and Mrs. Warner Boyle and children, Mr. and Mrs. Warner Welsh, Jr., and daughter, and Miss Anne Brooks of Baltimore.

Mr. and Mrs. Paul E. Eckenrode and Miss Alice Kelly spent Sunday with Mrs. Gerard Eckenrode, Town, Md.

Mrs. Ray Topper and son, Donald, Miss Dorothy Dewees, Thurmont, Mr. and Mrs. Walter Benschoff and daughter spent Sunday at the beach on the bay near Baltimore.

Mr. and Mrs. Albert Topper of Baltimore visited Thursday evening with Mrs. Ray Topper.

Charles B. Topper of Baltimore is spending several days with friends and relatives in Emmitsburg and nearby.

Washington, July 24 (AP)—Clyde Mills, chief government mediator, said today defense officials regard a strike at Detroit and Cleveland aluminum plants as "the most critical in the nation in its effect on defense production."

Mills said "continuance of the strike (now six weeks old) cannot be tolerated." The shutdown involves the CIO-United Auto Workers and the Aluminum Company of America.

Wherever Money Is Concerned Appearances Do Count

Your personal checks — imprinted with your own name and address — are distinctive and dignified. They lend prestige to your financial transactions, and provide the maximum protection for your money.

These Personal Checks are NOT expensive.

The cost of checks with your name and address on each, bound in a handsome, genuine leather checkbook cover, with your name stamped in gold, is very nominal.

MORE RAINS IN FLOOD SECTION

St. Louis, July 24 (AP)—Mississippi river flood waters, swirling along the southeast Missouri border, lost some of their strength today, but heavy rains in scattered sections of the midwest kept streams at high levels.

The Mississippi's crest was expected this afternoon at Cape Girardeau, a town of 20,000 in southeast Missouri. The unprotected waterfront of the town already was flooded, but little further damage was expected.

Army engineers said there is no danger of serious flooding south of Cape Girardeau.

Heavy downpours of brief duration in the area just north of St. Louis kept the river from receding as rapidly as expected here. Streets and basements in five communities in the vicinity of Alton, Ill., 20 miles northeast of here, were flooded by sudden downpours yesterday.

Some rivers in Kansas went out of their banks again after weekend rains measuring up to nearly five inches. Five rivers in that state were bankful but were expected to remain far below the record crests of the past two weeks. Little further damage was anticipated.

Says W. C. Fields Gave Temperance Lectures

Los Angeles, July 24 (AP)—A witness who said the late W. C. Fields used to give temperance lectures under the name of Billy Williams today accentuated the claim of a Chicago woman to the late comic's \$771,428 estate.

Mrs. Edith Williams, 71, claims she and Fields were married in New York city June 24, 1893, when she was 13 years old. Her petition asserts that she acted as his vaudeville assistant, bore him seven children and was deserted by him in Chicago in 1919.

She claims a widow's share of the estate. Her claim is opposed by Mrs. Harriet V. Fields, the comic's legally recognized widow who married him in San Francisco in 1900.

At the hearing yesterday, Fred J. Ardath, onetime vaudeville trouper, said he first met Fields in 1896 or

1897 and that he was using the name of Billy Williams and Billy Ward.

He said Fields, later to become a celebrated tippler, used to give temperance lectures when theater jobs were scarce.

With a dramatic gesture from the witness stand, Ardath pointed out the now-blind Mrs. Williams as the little girl Fields introduced as his wife in those early days.
